Due: December 8, 2020 @ 2 PM

The purpose of this addendum is to respond to questions submitted by a potential bidder, to provide corrected bridge information for the virtual bid opening, and provide a corrected bid cover sheet.

1. **Q:** Do you need a test site set up weekly at the university and the tests to be administered by licensed medical professionals along with complete lab service?

A: Testing at test sites must be available Monday through Thursday, from 12:00 p.m. to 2:00 p.m. CT.
Qualified medical professionals shall administer the test.

Q: Or do you just need 500 tests a week with shipping supplies and laboratory services with results sent to the patients and a POC?

A: ULM requires 500 test per week with shipping supplies. Laboratory results must be sent to the Louisiana Department of Health and the ULM Team Physician, and posted to a dashboard for physician quick access.
