Addendum No. 2

**REQUEST FOR PROPOSAL NO. 24-0043
RISK MANAGEMENT CONSULTING SERVICES**

This Addendum and Clarification item forms a part of the RFP Documents and modifies the original RFP Documents issued November 2, 2023. Acknowledge receipt of this Addendum on the Addendum Form of the Request for Proposal. Failure to do so may subject proposal to disqualification.

This Addendum consists of 21 pages.

CLARIFICATION:

1. Question: Is the 6% commission on the property placement a combined total or 6% for RPS and 6% for AJG UK?

Answer: The commission is 6% respectively for each Wholesaler, MGA or Intermediary for each market placement.

2. Question: Does AJG provide you with a property schematic that shows percentage each market is taking by layer? If so, could you please provide?

Answer: Yes. No, information is proprietary.

3. Question: Could you please provide the SOV in excel format to show COPE info and Secondary data elements?

Answer: Please see Attachment C.

4. Question: Addendum 1 question 2 states you provided loss history on Attachment B, but there is no loss history, can you please provide loss history?

Answer: Please see Attachment D.

5. Question: Could you please forward a listing of all policies that are expected to be marketed and placed by the successful insurance broker. The list should include policy periods and premiums by policy.

Answer: Please see Attachment E.

6. Question: Do you have a ground up 10-year property loss history?

Answer: Please see Attachment D.

7. Question: Copy of the loss history

Answer: Please see Attachment D.

8. Question: The list of policies and expiration dates did not include any information about any primary flood placements (NFIP), auto liability, cyber liability, general liability, professional liability (employment practices or law enforcement), public officials bonds, umbrella/excess liability or workers compensation.

Answer: Please see Attachment E.

9. Question: Please provide a listing of all policies to be marketed and placed by the selected broker. However, the first addendum only addressed the current property placement. The list of policies and expiration dates did not include any information about any primary flood placements (NFIP), auto liability, cyber liability, general liability, professional liability (employment practices or law enforcement), public officials bonds, umbrella/excess liability or workers compensation. Could you please review and advise if any of these coverages will be placed by the selected insurance broker?

Answer: Please see Attachment E. Yes. It is the expectation that the selected vendor provide the aforementioned coverages.
