Notes and Attachments – How To

If you did not view and download the attachments from LaPAC, these next steps will show how to find notes and attachments to the Bid Invitation within the LaGov site. The notes and attachments shown on the screen are the same information that is shown on the document opened from LaPAC. The documents may be downloaded from LaPAC or the LaGov Bid Invitation. The attachments may include questions or requests for information so these documents should be saved/downloaded to your local file where the questions can be answered. The document containing your answers can then be submitted to the State. Request for Information submission instructions are shown elsewhere in this document.

There are (3) three places on the Request for Information/Bid Invitation that may contain information on notes and attachments.

First Location –

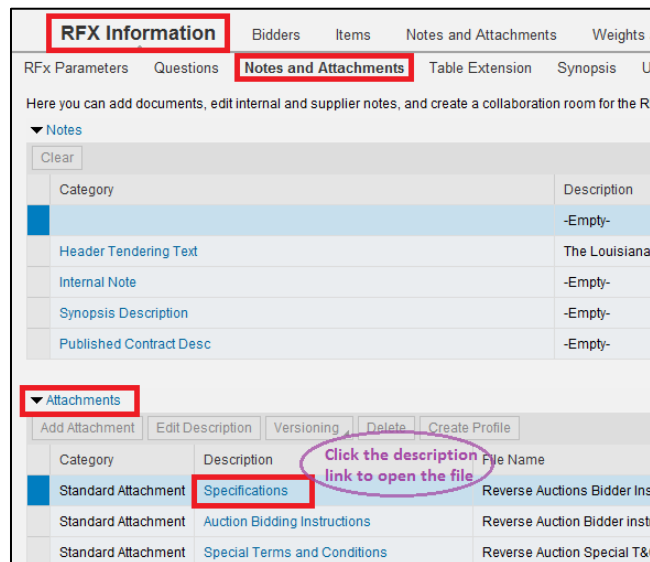

RFx Information → Notes and Attachments: This area contains header level notes and attachments. Header level notes apply to everything in the Bid Invitation – they are not line item specific. Click on the words **“Notes and Attachments”** under the **RFx Information** tab. In the Notes section of the screen, click on the link to open Header Tendering Text.

Second Location –

Notes and Attachments tab: This area contains both header and line item specific notes.
