

**Louisiana Department of Health, Office of Public Health (LDH/OPH)
Water Testing Meters and Supplies**

**Attachment B – Scope of Work
RFx #3000022092**

The successful vendor shall be responsible for shipping to nine (9) different locations within the State of Louisiana on an as-needed basis. The locations are listed below. **LDH/OPH will provide the successful vendor a list of contacts authorized to place orders on behalf of the Department. LDH/OPH will only accept and pay for orders placed by the contacts on the provided list.**

In accordance with La. R.S. 39:1655, this solicitation has been approved as proprietary and only the brand(s) and model(s) specified will be considered.

All items are required to be Hach Brand

These specific water testing meters and supplies are needed for the collection and testing of drinking water samples for the State of Louisiana. Supplies shall be shipped statewide as listed below. Due to the time sensitive nature of drinking water sampling, orders must be shipped within fifteen (15) business days of an order being placed unless an exception is approved by LDH/OPH. **All shipments must be sent Freight on Board (FOB) Destination. The successful vendor shall be responsible for all shipping costs and fees.** The successful vendor must allow for the return of unopened and/or damaged/defective items within thirty (30) days of receipt by LDH/OPH at no cost.

Specify the number of days items will be shipped after receipt of order (ARO): _____

DELIVERY LOCATIONS:

The vendor must provide shipments as requested to various state regions for water testing purposes. LDH/OPH reserves the right to add or delete delivery addresses as needed.
