A certified Veteran-Owned and Service-Connected Disabled Veteran-Owned small entrepreneurship (LaVet) and a Louisiana Initiative for Small Entrepreneurships (Hudson Initiative) small entrepreneurship are businesses that have been certified by the Louisiana Department of Economic Development. All eligible vendors are encouraged to become certified. Qualification requirements and online certification are available at:

<https://smallbiz.louisianaeconomicdevelopment.com>

If a Proposer is not a certified small entrepreneurship as described herein but plans to use certified small entrepreneurship(s), Proposer shall include in their proposal the names of their certified Veteran Initiative or Hudson Initiative small entrepreneurship subcontractor(s), a description of the work each will perform, and the dollar value of each subcontract.

During the term of the contract and at expiration, the Contractor will also be required to report Veteran-Owned and Service-Connected Disabled Veteran-Owned and Hudson Initiative small entrepreneurship subcontractor or distributor participation and the dollar amount of each.

In RFP's requiring the compliance of a good faith subcontracting plan, the State may require Proposers to submit information on their business relationships and arrangements with certified LaVet or Hudson Initiative subcontractors at the time of proposal review. Agreements between a Proposer and a certified LaVet or Hudson Initiative subcontractor in which the certified LaVet or Hudson Initiative subcontractor promises not to provide subcontracting quotations to other Proposers shall be prohibited.

If performing its evaluation of proposals, the State reserves the right to require a non-certified Proposer to provide documentation and information supporting a good faith subcontracting plan. Such proof may include contracts between Proposer and certified Veteran Initiative and/or Hudson Initiative subcontractor(s).

If a contract is awarded to a Proposer who proposed a good faith subcontracting plan, the using Agency, the Louisiana Department of Economic Development (LED), or the Office of State Procurement (OSP) may audit Contractor to determine whether Contractor has complied in good faith with its subcontracting plan. The Contractor must be able to provide supporting documentation (i.e., phone logs, fax transmittals, letter, e-mails) to demonstrate its good faith subcontracting plan was followed. If it is determined at any time by the Using Agency, LED, or the OSP Director that the Contractor did not in fact perform in good faith its subcontracting plan, the contract award or the existing contract may be terminated.

1.23 Taxes

The Contractor shall be responsible for payment of all applicable taxes from the funds to be received under contract awarded from this RFP.

In accordance with R.S. 39:1624(A) (10), the Louisiana Department of Revenue must determine that the prospective contractor is current in the filing of all applicable tax returns and reports and in payment of all taxes, interest, penalties, and fees owed to the state and collected by the Department of Revenue prior to the approval of the contract by the Office of State Procurement. The prospective contractor shall attest to its current and/or prospective compliance by signing the Attachment I: Certification Statement submitted with its proposal, and also agrees to provide its seven-digit LDR Account Number to the contracting agency so that the prospective contractor's tax payment compliance status may be verified. The prospective contractor further acknowledges understanding that issuance of a tax clearance certificate by the Louisiana Department of Revenue is a necessary precondition to the approval and effectiveness of the contract by the Office of State Procurement. The contracting agency reserves the right to withdraw its consent to the contract without penalty and proceed with alternate arrangements should the vendor fail to resolve any identified apparent outstanding tax compliance discrepancies with the Louisiana Department of Revenue within seven (7) days of such notification.

1.24 Determination of Responsibility

Determination of the Proposer's responsibility relating to this RFP shall be made according to the standards set forth in Louisiana Administrative Code, Title 34, Part V. The State must find that the selected Proposer:

- Has adequate financial resources for performance, or has the ability to obtain such resources as required during performance;
- Has the necessary experience, organization, technical qualifications, skills, and facilities, or has the ability to obtain them;
- Is able to comply with the proposed or required time of delivery or performance schedule;
- Has a satisfactory record of integrity, judgment, and performance; and
- Is otherwise qualified and eligible to receive an award under applicable laws and regulations.

Proposers should ensure that their proposals contain the requested and required information for the State to make its determination by presenting acceptable evidence of the above to perform the contracted services.

1.25 Use of Subcontractors

The State shall have a single prime Contractor as the result of any contract negotiation, and that prime Contractor shall be responsible for all deliverables specified in the RFP and Proposal. This general requirement notwithstanding, Proposers may enter into subcontractor arrangements, however, shall acknowledge in their proposals total responsibility for the entire contract.

If the Proposer intends to subcontract for portions of the work, the Proposer shall identify in the Proposal any subcontractor relationships and include specific designations of the tasks to be performed by the subcontractor. Information required of the Proposer under the terms of this RFP shall also be required for each subcontractor if requested by the State. The prime Contractor shall be the single point of contact for all subcontract work.

Unless provided for in the contract with the State, the prime Contractor shall not contract with any other party for any of the services herein contracted without the express prior written approval of the State.

1.26 Acceptance of Proposal Content

All proposals will be reviewed to determine compliance with administrative and mandatory requirements as specified in the RFP. Proposals that are not in compliance will be rejected from further consideration.

1.27 Evaluation and Selection

The evaluation of proposals will be accomplished by a Proposal Review Committee to be designated by the CPRA, which will determine the proposal most advantageous to the CPRA, taking into consideration price and the other evaluation factors set forth in the RFP. The

Proposal Review Committee may consult subject matter expert(s) to serve in an advisory capacity regarding any Proposer or proposal. Such input may include, but not be limited to, analysis of Proposer financial statements, review of technical requirements, or preparation of cost score data.

1.28 Best and Final Offers (BAFO)

The State reserves the right to conduct a BAFO with one or more Proposers identified by the Proposal Review Committee to be reasonably susceptible of being selected for an award. If conducted, the Proposers selected will receive written notification of their selection, a list of specific items to address in the BAFO, and instructions for submittal. The BAFO negotiation may be used to assist the State in clarifying the scope of work or to obtain the most cost effective pricing available.

The written invitation to participate in BAFO will not obligate the State to a commitment to enter into a contract.

1.29 Contract Award, Negotiation, and Execution

Contract award and execution are contingent upon the selected Proposer and CPRA reaching an agreeable contract.

The State reserves the right to enter into a contract based on the initial offers received without further discussion of the proposals submitted. The State reserves the right to contract for all or a partial list of services offered in the Proposals.

The RFP, including any addenda added, and the selected proposal shall become part of the contract initiated by the State.

The selected Proposer shall be expected to enter into a contract that is substantially the same as the Attachment III, Sample Contract. A Proposer shall not submit its own standard contract terms and conditions as a response to this RFP. The Proposer should submit in its proposal any exceptions or contract deviations that its firm wishes to negotiate. Negotiations may coincide with the announcement of the selected Proposer.

The State reserves the right to negotiate a reduction to the “Required Rate Schedule” hourly rates (Attachment II) with any Proposer selected by the Proposal Review Committee for contract award. The Proposer will receive written notification of the State’s intent to negotiate submitted rates. The final negotiated hourly rates on the Proposer’s Required Rate Schedule will be considered the maximum amount allowed. The subcontractors will also adhere to the final negotiated hourly rates of the Proposer for the full term of the contract.

If the contract negotiation period exceeds 30 business days, or if the selected Proposer fails to sign the final contract within 30 business days of delivery, the State may elect to cancel the award and award the contract to the next-highest-ranked Proposer.

1.30 Notice of Intent to Award

The Proposal Review Committee shall compile the scores and make a recommendation to the head of the Agency on the basis of the responsive and responsible Proposer with the highest score.

The State reserves the right to make multiple awards.

The State will notify the successful Proposer and proceed to negotiate terms for final contract. Unsuccessful Proposers will be notified in writing accordingly.

The proposals received (except for that information appropriately designated as confidential in accordance with R.S. 44.1 et seq), scores of each proposal considered along with a summary of scores, and a narrative justifying selection shall be made available, upon request, to all interested parties after the "Notice of Intent to Award" letter has been issued.

Any person aggrieved by the proposed award has the right to submit a protest in writing to the Chief Procurement Officer within fourteen (14) calendar days after the agency issues a Notice of Intent to award a contract.

The award of a contract shall be subject to the approval of the Division of Administration, Office of State Procurement.

1.31 Right to Prohibit Award

In accordance with the provisions of R.S. 39:2192, any public entity shall be authorized to reject a proposal from, or not award a contract to, a business in which any individual with an ownership interest of five percent or more, has been convicted of, or has entered a plea of guilty or nolo contendere to any state felony or equivalent federal felony crime committed in the solicitation or execution of a contract or RFP awarded under the laws governing public contracts under the provisions of Chapter 10 of Title 38 of the Louisiana Revised Statutes of 1950, and all contracts under Title 39, Chapter 17 of the Louisiana Procurement Code, including contracts for professional, personal, consulting, and social services.

Upon failure of the Contractor to furnish, deliver and maintain required insurance, the contract, at the election of the Agency, may be suspended, discontinued or terminated. 1.33 Duty to Defend

Upon notice of any claim, demand, suit, or cause of action against the State, alleged to arise out of or be related to this Contract, Contractor shall investigate, handle, respond to, provide defense for, and defend at its sole expense, even if the claim, demand, suit, or cause of action is groundless, false, or fraudulent. The State may, but is not required to, consult with or assist the Contractor, but this assistance shall not affect the Contractor's obligations, duties, and responsibilities under this section. Contractor shall obtain the State's written consent before entering into any settlement or dismissal.

1.35.1 Termination of the Contract for Cause

State may terminate the Contract for cause based upon the failure of the Contractor to comply with the terms and/or conditions of the Contract; provided the State shall give the Contractor written notice specifying the Contractor's failure. If within thirty (30) calendar days after receipt of such notice, the Contractor shall not have either corrected such failure or, in the case of failure

which cannot be corrected in thirty (30) calendar days, begun in good faith to correct said failure and thereafter proceeded diligently to complete such correction, then the State may, at its option, place the Contractor in default and the Contract shall terminate on the date specified in such notice. Failure to perform within the time agreed upon in the contract may constitute default and may cause cancellation of the contract.

Contractor may exercise any rights available to it under Louisiana law to terminate for cause upon the failure of the State to comply with the terms and conditions of the contract provided that the Contractor shall give the State written notice specifying the State Agency's failure and a reasonable opportunity for the State to cure the defect.

1.35.2 Termination of the Contract for Convenience

The State may terminate the Contract at any time without penalty by giving thirty (30) calendar days' written notice to the Contractor of such termination or negotiating with the Contractor an effective date. Contractor shall be entitled to payment for deliverables in progress, to the extent work has been performed satisfactorily.

1.35.3 Termination for Non-Appropriation of Funds

The continuation of the contract shall be contingent upon the appropriation of funds by the legislature to fulfill the requirements of the contract by the legislature. If the legislature fails to appropriate sufficient monies to provide for the continuation of the contract, or if such appropriation is reduced by the veto of the Governor or by any means provided in the appropriations act of Title 39 of the Louisiana Revised Statutes of 1950 to prevent the total appropriation for the year from exceeding revenues for that year, or for any other lawful purpose, and the effect of such reduction is to provide insufficient monies for the continuation of the contract, the contract shall terminate on the date of the beginning of the first fiscal year for which funds have not been appropriated.

1.36 Assignment

No Contractor shall assign any interest in the contract by assignment, transfer, or novation, without prior written consent of the State. This provision shall not be construed to prohibit the Contractor from assigning to a bank, trust company, or other financial institution any money due or to become due from approved contracts without such prior written consent. Notice of any such assignment or transfer shall be furnished promptly to the State.

1.37 Right to Audit

The State legislative auditor, federal auditors and internal auditors of Coastal Protection and Restoration Authority, Division of Administration, or others so designated by the DOA, shall have the option to audit all accounts directly pertaining to the resulting contract for a period of five (5) years from the date of final payment or as required by applicable State and Federal law. 1.39 Record Ownership

All records, reports, documents, or other material related to any contract resulting from this RFP and/or obtained or prepared by the Contractor in connection with the performance of the services contracted for herein shall become the property of the State and shall, upon request, be returned by the Contractor to the State, at the Contractor's expense, at termination or expiration of the contract.

1.40 Entire Agreement/ Order of Precedence

The contract, together with the RFP and addenda issued thereto by the State, the proposal submitted by the Contractor in response to the State's RFP, and any exhibits specifically incorporated herein by reference, shall constitute the entire agreement between the parties with respect to the subject matter.

In the event of any inconsistent or incompatible provisions, this signed agreement (excluding the RFP and the Contractor's proposal) shall take precedence, followed by the provisions of the RFP, and then by the terms of the Contractor's proposal.

1.41 Contract Modifications

No amendment or variation of the terms of the contract shall be valid unless made in writing, signed by the parties and approved as required by law. No oral understanding or agreement not incorporated in the contract shall be binding on any of the parties.

1.42 Substitution of Personnel

The Contractor's personnel assigned to the Contract shall not be replaced without the prior written consent of the State. Such consent shall not be unreasonably withheld or delayed provided an equally qualified replacement is offered. In the event that any State or Contractor

personnel become unavailable due to resignation, illness, or other factors, excluding assignment to a project outside the contract, outside of the State's or Contractor's reasonable control, as the case may be, the State or the Contractor shall be responsible for providing an equally qualified replacement in time to avoid delays in completing tasks. The Contractor will make every reasonable attempt to assign the personnel listed in his proposal.

1.43 Governing Law

The contract shall be governed by and interpreted in accordance with the laws of the State of Louisiana. Venue of any action brought with regard to the contract shall be in the Nineteenth Judicial District Court, Parish of East Baton Rouge, State of Louisiana.

1.47 Prohibition of Discriminatory Boycotts of Israel

By submitting a response to this solicitation, the bidder or proposer certifies and agrees that the following information is correct: In preparing its response, the Proposer has considered all proposals submitted from qualified, potential subcontractors and suppliers, and has not, in the solicitation, selection, or commercial treatment of any subcontractor or supplier, refused to transact or terminated business activities, or taken other actions intended to limit commercial relations, with a person or entity that is engaging in commercial transactions in Israel or Israeli-controlled territories, with the specific intent to accomplish a boycott or divestment of Israel. Proposer also has not retaliated against any person or other entity for reporting such refusal, termination, or commercially limiting actions. The State reserves the right to reject the response of the Proposer if this certification is subsequently determined to be false, and to terminate any contract awarded based on such a false response.

1.48 Security

Contractor's personnel shall comply with all security regulations in effect at the State's premises and externally for materials and property belonging to the State or to the project. Where special security precautions are warranted (e.g., correctional facilities), the State shall provide such procedures to the Contractor, accordingly.

1.49 Cybersecurity Training

In accordance with La. R.S. 42:1267(B)(3) and the State of Louisiana's Information Security Policy, if the Contractor, any of its employees, agents, or subcontractors will have access to State government information technology assets, the Contractor's employees, agents, or subcontractors with such access must complete cybersecurity training annually, and the Contractor must present evidence of such compliance annually and upon request. The Contractor may use the cybersecurity training course offered by the Louisiana Department of State Civil Service without additional cost.

For purposes of this Section, "access to State government information technology assets" means the possession of credentials, equipment, or authorization to access the internal workings of State information technology systems or networks. Final determination of scope inclusions or exclusions relative to access to State government information technology assets will be made by the Office of Technology Services.

PART 2: SCOPE OF WORK/SERVICES

2.1 Scope of Services

The Contractor shall perform all work required to accomplish the intent of the task order provided by CPRA. The Contractor shall be required to commence work on each written task order within ten (10) calendar days of the date of receipt. To perform the required work, the Contractor shall provide all professional and support staff and specialists necessary to plan, supervise, perform, and report the required work who are included in the required rate schedule as part of the proposal. The Contractor shall furnish all labor, transportation, fuel, equipment, and materials necessary to perform the services required by each task order.

A. Appraisals:

The Contractor may be issued a task involving the appraisal of lands and improvements, and/or of oyster leases and improvements, to be acquired conforming to La. R.S. 56:432.1, the Oyster Lease Acquisition and Compensation Program (OLACP) where integrated coastal protections and restoration projects are approved for construction pursuant to the Coastal Wetlands Planning, Protection and Restoration Act, PL 101-646 (CWPPRA) and other coastal protection, conservation and restoration projects directly impact privately owned lands in such a way that compensation is required. All appraisals shall be reported as self-contained appraisal reports in narrative form and must conform to the Uniform Standards of Professional Appraisal Practice (USPAP) and guidelines contained in La. R.S. 56:432.1. Contractor shall refer to Section A of the Uniform Appraisal Standard for Federal Land Acquisitions for a description of the contents of the appraisal report and the OLACP. One hard copy of the report shall be provided to CPRA and reports (including all addenda) must also be submitted in electronic format.

B. Appraisal Updates:

The Contractor may be asked to update the appraisals if a project time period is extended. The update will be in one of two formats: minor update or major update. The minor update will be in the format described in USPAP Advisory Opinion 3. This appraisal will require inspecting the property and updating market data to the date of the update request. This type of update will be requested when the property appraised has not undergone a significant change since the original appraisal, and when the time lapse between the date of the original appraisal and the date of the update request is not unreasonably long for the type of real estate involved; however, in no event, no longer than two (2) years. A major update will be requested when circumstances require a re-analysis of the factual data in a self-contained appraisal report. This appraisal will also require inspection of the property and updating market data to the date of update request. This type of report will be prepared in the same detail as the original appraisal report.

C. General Requirements:

The Contractor must contact each landowner and/or oyster leaseholder by letter before the property is inspected to provide the landowner/lessee the opportunity to accompany the Contractor during the property inspection. The letter should be sent at least fifteen (15) days prior to accessing the property to allow a reasonable amount of time to allow the landowner sufficient notice to be able to accompany the Contractor if he/she so chooses. The date of the inspection must be included in the report as well as a copy of the letter contacting the landowner or his representative. The Contractor should not provide transportation to the landowner or the lessee to the property.

D. For Land Appraisals:

CPRA will provide the Contractor a legal description and, in some cases, a plat or map of the requested appraisal tract. Some lands may have to be acquired fee simple; the fee simple title to the lands, however, will be subject to existing easements for public roads and highways, public utilities, railroads and pipelines; excepting and excluding from the taking all minerals in and under the land and all appurtenant rights for the exploration, development, production and removal of any minerals, but without the right to enter upon or over the surface of the land for the purpose of drilling and extracting the minerals.

Most project lands will not be acquired in fee, but will require surface easements or rights-of-way of varying terms, and may include partial takings. The Contract Monitor will provide the Contractor the specific estate that corresponds to each task order at the time of assignment. Appraisals should be performed using the sales comparison approach and the cost and income approaches, if applicable. If the appraisal includes the cost approach, an aggregated unit cost method of estimating should be used in the cost approach to determine value.

E. For Oyster Lease Appraisals:

CPRA will provide the Contractor a copy of the oyster lease at the time of assignment. If sufficient information is available, the Contractor may determine the fair market value of the affected lease by taking into account comparable sales of other leases in similar locations with similar production capabilities. Alternatively, the Contractor may determine the fair market value of the affected lease by calculating the net income of the lessee at the time of acquisition and the present value of the projected net future income during the remainder of the current lease term, beginning with the next succeeding full calendar year, in the following manner:

1. Estimated future production expenses shall be deducted from estimated future gross income from the affected lease to determine estimated future net income, all on an annual basis, then discounted to present value at a rate intended to reflect the expected rate of return on investment in the Louisiana oyster industry, to determine

the present value of such income as of the first day of the calendar year following the year of purchase.

2. Future gross income from the affected lease may be estimated by the Contractor based on adequate reliable documentation submitted by the leaseholder, such as sales records, income tax returns, reports and affidavits. In the absence of such documentation, or in conjunction therewith, the Contractor may use whatever information may be available from other sources, both public and private, to estimate the average productivity of oyster reefs in the area of the affected lease on the basis of marketable oyster sacks per reef acre, and the market price thereof, then apply such estimate to the reef area of the affected lease.
3. Future production expenses applicable to the affected lease may be estimated by the Contractor based on adequate reliable documentation submitted by the leaseholder, such as accounting records, invoices, cancelled checks, payroll records, third party records, income tax returns, reports, and affidavits. EVALUATION CRITERIA	MAXIMUM SCORE
TECHNICAL	
COMPANY BACKGROUND AND EXPERIENCE	20
PROPOSED STAFF QUALIFICATIONS	22
APPROACH AND METHODOLOGY	21
HUDSON/VETERAN SMALL ENTREPRENEURSHIP PROGRAM <ul style="list-style-type: none">• UP TO 10 POINTS AVAILABLE FOR HUDSON-CERTIFIED PROPOSERS;• UP TO 12 POINTS AVAILABLE FOR VETERAN-CERTIFIED PROPOSERS;• IF NO VETERAN-CERTIFIED PROPOSERS, THOSE TWO POINTS ARE NOT AWARDED.	12
COST	25
TOTAL MAXIMUM SCORE	100

The Proposal will be evaluated in light of the material and the substantiating evidence presented to the State, not on the basis of what may be inferred.

Proposer must receive a minimum score of 31.5 points (50%) of the total available points in the technical categories of Company Background and Experience, Proposed Staff Qualifications, and Approach and Methodology to be considered responsive to the RFP. **Proposals not meeting the minimum score shall be rejected and not proceed to further evaluation on Cost or Hudson/Veteran Program.**

Proposals meeting the minimum score for the technical categories, will be combined with the Cost and Hudson/Veteran Program to determine the overall score.

The Proposer with the highest overall score will be recommended for award.

3.1 Cost Evaluation

For cost evaluation purposes, the labor category hourly rates provided in Attachment II, Required Rate Schedule, will be averaged. The Proposer with the lowest rate schedule average (LRSA) will receive 25 points. All other Proposals will be scored by multiplying the maximum possible points (25) by a fraction that consists of the lowest rate schedule average (LRSA) as numerator and the rate schedule average of the Proposer being evaluated (PRSA) as the denominator.

$$CCS = (LRSA/PRSA \times 25)$$

Where: CCS = Computed cost score (points) for Proposer being evaluated
LRSA = Lowest rate schedule average
PRSA = Rate schedule average of Proposer being evaluated

3.2 Veteran-Owned and Service-Connected Disabled Veteran-Owned Small Entrepreneurships (Veteran Initiative) and Louisiana Initiative for Small Entrepreneurships (Hudson Initiative) Programs Participation

A. Twelve percent (12%) of the total evaluation points in this RFP are reserved for Proposers who are certified small entrepreneurships, or who will engage the participation of one or more certified small entrepreneurships as subcontractors. Reserved points shall be added to the applicable Proposers' evaluation score as follows:

B. Proposer Status and Allotment of Reserved Points

- i. If the Proposer is a certified Veterans Initiative small entrepreneurship, the Proposer shall receive points equal to twelve percent (12%) of the total evaluation points in this RFP.
- ii. If the Proposer is a certified Hudson Initiative small entrepreneurship, the Proposer shall receive points equal to ten percent (10%) of the total evaluation points in this RFP.
- iii. If the Proposer demonstrates its intent to use certified small entrepreneurship(s) in the performance of contract work resulting from this solicitation, the Proposer shall receive points equal to the net percentage of contract work which is projected to be performed by or through certified small entrepreneurship subcontractors, multiplied by the appropriate number of evaluation points.
- iv. The total number of points awarded pursuant to this Section shall not exceed twelve percent (12%) of the total number of evaluation points in this RFP.

If the Proposer is a certified Veterans Initiative or Hudson Initiative small entrepreneurship, the Proposer must note this in its Proposal in order to receive the full amount of applicable reserved points. It is highly desirable for the Proposer to include the certificate in the Proposal to expedite the verification process.

If the Proposer is not a certified small entrepreneurship, but has engaged one (1) or more Veterans Initiative or Hudson Initiative certified small entrepreneurship(s) to participate as subcontractors, the Proposer shall provide the following information for each certified small entrepreneurship subcontractor in order to obtain any applicable Veterans Initiative or Hudson Initiative points:

If multiple Veterans Initiative or Hudson Initiative subcontractors will be used, the above required information should be listed for each subcontractor. The Proposer should provide a sufficiently detailed description of each subcontractor's work so the Department is able to determine if there is duplication or overlap, or if the subcontractor's services constitute a distinct scope of work from each other subcontractor(s).

company prefers, they can add a section entitled “Contributing Authors” or “Acknowledgements” to more explicitly list or give credit to the individual authors who have worked on the project/study.

For work performed under the RESTORE Act, the Federal Government, including the RESTORE Council, may also retain certain rights in the work as provided in Section E.07 of the RESTORE Council’s Financial Assistance Standard Terms and Conditions or in Treasury’s RESTORE Act Standard Terms and Conditions and Program-Specific Terms and Conditions, as applicable.

Failure to follow these guidelines may result in stoppage of work or of any future Task Orders.

This right also includes timely and reasonable access to Contractor’s personnel for the purpose of interview and discussion related to such documents. This right of access shall continue as long as records are required to be retained.

19. ASSIGNABILITY

The identification of all such confidential data and information as well as the State's procedural requirements for protection of such data and information from unauthorized use and disclosure shall be provided by the State in writing to the contractor. If the methods and procedures employed by the contractor for the protection of the contractor's data and information are deemed by the State to be adequate for the protection of the State's confidential information, such methods and procedures may be used, with the written consent of the State, to carry out the intent of this paragraph. The contractor shall not be required under the provisions of the paragraph to keep confidential any data or information which is or becomes publicly available, is already rightfully in the contractor's possession, is independently developed by the contractor outside the scope of the contract, or is rightfully obtained from third parties.

Any act of discrimination committed by Contractor, or failure to comply with these statutory obligations when applicable shall be grounds for termination of this Contract.

27. PROHIBITION OF DISCRIMINATORY BOYCOTTS OF ISRAEL

In accordance with R.S. 39:1602.1, for any Contract for \$100,000 or more and for any Contractor with five or more employees, the Contractor certifies that neither it nor its subcontractors are engaged in a boycott of Israel, and that the Contractor and any subcontractors shall, for the duration of this Contract, refrain from a boycott of Israel.

The State reserves the right to terminate this Contract if the Contractor, or any Subcontractor, engages in a boycott of Israel during the term of this Contract.

The Contractor agrees to ensure that Disadvantaged Business Enterprises (“DBEs”) have the maximum opportunity to participate in the performance of this Contract and any subcontracts for supplies, equipment, construction, or services that may be let. This report shall be made using the Procurement Summary Form attached hereto as Appendix D, and submitted within fifteen (15) days following the end of each calendar quarter for the duration of the Contract.

Additionally, the Contractor agrees to abide by all applicable State and Federal laws, policies, and regulations that govern the use of Disadvantaged Business Enterprises.

29. VETERANS AND HUDSON INITIATIVES

CPRA fully participates in and encourages Contractor participation in the Hudson Initiative. A certified Veteran-Owned and Service-Connected Disabled Veteran-Owned small entrepreneurship (LaVet) and a Louisiana Initiative for Small Entrepreneurs (Hudson Initiative) entrepreneurship are businesses that have been certified by the Louisiana Department of Economic Development. All eligible Contractors are encouraged to become certified. Eligible Contractors are also required to make it clear in their proposal that they are certified by attaching a certification document. Qualification requirements and online certification are available at <https://smallbiz.louisianaeconomicdevelopment.com/Account/Register>

30. SUBCONTRACTORS

The Contractor shall include, in any subcontract, the provisions contained in this Contract. The Contractor agrees to guarantee and be liable to CPRA for all services performed under any such subcontract.

For any Subcontractors needed in addition to the ones proposed and subsequently negotiated upon execution of this contract, the Contractor agrees to obtain approval prior to subcontracting the services specified in **Appendix A**. The Contractor shall submit requests for approval to CPRA, accompanied by resumes of key personnel of the requested Subcontractor, to the CPRA Contract Monitor. Approval must be obtained through written amendment to this contract and approved by CPRA and the Division of Administration, Office of State Procurement.

31. CERTIFICATE OF DEBARMENT / SUSPENSION STATUS

Contractor certifies with its execution of this agreement that it is not suspended, debarred or ineligible from entering into Contracts with any department or agency of the Federal Government or of the State of Louisiana, or in receipt of notice of proposed debarment or suspension. Contractor agrees to secure from any Contractor(s) and subcontractor(s) for the captioned project certification that such Contractor(s) and subcontractor(s) are not suspended, debarred or declared ineligible from entering into Contracts with any department or agency of the Federal Government or of the State of Louisiana, or in receipt of a notice of proposed debarment or suspension.

Contractor shall provide immediate notice to the CPRA in the event of it or its Contractor(s) or any subcontractor(s) being suspended, debarred or declared ineligible by any department or agency of the Federal Government or of the State of Louisiana, or upon receipt of a notice of a proposed debarment or suspension, either prior to or after execution of this agreement.

Upon receipt of notice of suspension, debarment, or declaration that Contractor or its Contractor(s) or any subcontractor(s) is/are ineligible to enter into Contracts with any department or agency of the Federal Government or of the State of Louisiana, either prior to or after execution of this agreement, CPRA reserves the right to review cause for said debarment, suspension, or declaration of ineligibility, and to terminate this Contract pursuant to the terms of the article in this agreement entitled TERMINATION FOR CAUSE, or take such other action it deems appropriate under this Contract.

32. TERMINATION FOR CAUSE

The CPRA may terminate this Contract for cause based upon the failure of the Contractor to comply with the terms and/or conditions of the Contract; provided that

the CPRA shall give the Contractor written notice specifying the Contractor's failure. If within thirty (30) days after receipt of such notice, the Contractor shall not have either corrected such failure or, in the case of such failure which cannot be corrected in thirty (30) days, begun in good faith to correct said failure and thereafter proceeded diligently to complete such correction, then the CPRA may, at its option, place the Contractor in default and the Contract shall terminate on the date specified in such notice. The Contractor may exercise any rights available to it under Louisiana law to terminate for cause upon the failure of the CPRA to comply with the terms and conditions of this Contract; provided that the Contractor shall give the CPRA written notice specifying the CPRA's failure and a reasonable opportunity for the CPRA to cure the defect.

Notwithstanding the above, the Contractor will not be relieved of liability to the CPRA for damages sustained by the CPRA by virtue of any breach of the Contract by the Contractor, and the CPRA may withhold any payments to the Contractor for the purpose of setoff until such time as the exact amount of damages due the CPRA from the Contractor is determined.

33. TERMINATION FOR CONVENIENCE

The CPRA may terminate the Contract at any time by giving thirty (30) days written notice to the Contractor. The Contractor shall be entitled to payment for deliverables in progress, to the extent work has been performed satisfactorily.

34. TERMINATION FOR NON-APPROPRIATION OF FUNDS

The continuation of this Contract is contingent upon the appropriation of funds to fulfill the requirements of the Contract by the legislature. If the legislature fails to appropriate sufficient monies to provide for the continuation of the Contract, or if such appropriation is reduced by the veto of the Governor or by any means provided in the appropriations act to prevent the total appropriation for the year from exceeding revenues for that year, or for any other lawful purpose, and the effect of such reduction is to provide insufficient monies for the continuation of the Contract, the Contract shall terminate on the date of the beginning of the first fiscal year for which funds are not appropriated.

CPRA shall also be entitled

to any other remedies for noncompliance as provided in Section M of the RESTORE Council's Financial Assistance Standard Terms and Conditions.

If Contractor or its consultant(s), contractor(s), and/or subcontractor(s) fail to comply with Federal statutes, regulations or the terms and conditions of a Federal award under the RESTORE Act, in addition to Termination for Cause or Termination for Convenience, the CPRA may take one or more of the following actions, as appropriate in the circumstances: (a) temporarily withhold cash payments pending correction of the deficiency by Contractor or its consultant(s), contractor(s), and/or subcontractor(s) or more severe enforcement action as necessary; (b) disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance; (c) wholly or partly suspend or terminate payment of the RESTORE Act funds; (d) recommend that suspension or debarment proceedings be initiated under 2 C.F.R. part180 and Federal awarding agency regulations; (e) withhold further Federal awards for the project or program; or (f) take other remedies that may be legally available. This provision shall not prevent the normal dissemination of factual information relative to a proposition on any election

ballot or a proposition or matter having the effect of law being considered by the Louisiana Legislature or any local governing authority.

39. SEVERABILITY

If any term or condition of this Contract or the application thereof is held invalid, such invalidity shall not affect other terms, conditions, or applications which can be given effect without the invalid term, condition, or application; to this end the terms and conditions of this Contract are declared severable.

APPENDIX E

Appendix II to Part 200—Contract Provisions for Non-Federal Entity Contracts Under Federal Awards

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

(A) Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

(B) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR Part, 1964-

1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246

Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR part 60,

“Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 31463148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of “funding agreement” under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR Part

401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and sub grants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). ATTACHMENT IV: ELECTRONIC VENDOR PAYMENT SOLUTION

In an effort to increase efficiencies and effectiveness as well as be strategic in utilizing technology and resources for the State and Contractor, the State intends to make all payments to Contractors electronically. The LaCarte Procurement Card will be used for purchases of \$5,000 and under, and where feasible, over \$5,000. Contractors will have a choice of receiving electronic payment for all other payments by selecting the Electronic Funds Transfer (EFT). If you receive an award and do not currently accept the LaCarte card or have not already enrolled in EFT, you will be asked to comply with this request by choosing either the LaCarte Procurement Card and/or EFT. You may indicate your acceptance below.

The **LaCarte** Procurement Card uses a Visa card platform. Contractors receive payment from state agencies using the card in the same manner as other Visa card purchases. Contractors cannot process payment transactions through the credit card clearinghouse until the purchased products have been shipped or received or the services performed.

For all statewide and agency term contracts:

- Under the LaCarte program, purchase orders are not necessary. Orders must be placed against the net discounted products of the contract. All contract terms and conditions apply to purchases made with LaCarte.
- If a purchase order is not used, the Contractor must keep on file a record of all LaCarte purchases issued against this contract during the contract period. The file must contain the particular item number, quantity, line total and order total. Records of these purchases must be provided to the Office of State Procurement on request.

EFT payments are sent from the State’s bank directly to the payee’s bank each weekday. The only requirement is that you have an active checking or savings account at a financial institution that can accept Automated Clearing House (ACH) credit files and remittance information electronically. Additional information and an enrollment form is available by contacting the Office of Statewide Reporting & Accounting at DOA-OSRAP-EFT@la.gov .

To facilitate this payment process, you will need to complete and return the EFT enrollment form..

If an award is made to your company, please check which option you will accept or indicate if you are already enrolled.
