AMENDMENT 1

Issued 3/5/2024, 2:30 pm, CST

This Amendment Number 1 corrects an erroneous scope of work as listed in the advertisement. The correct scope of work shall read as follows:

Project Scope includes the removal of the existing 6" ductile iron force main that runs from Jackson Avenue to Fontainebleau State Park under Bayou Castine and replacing with an 8" HDPE pipe via horizontal directional drill. Scope also includes all tie-ins, fittings, asphalt patching, PCCP, and items incidental to achieve this project scope of work.
