1.0 Purpose

Addendum #1 provides responses to questions received from the published RFI.

Question #	Question	Response
1	Will there be an additional RFI/RFP for managing local tax rates and boundaries with a mapping tool, to present that information in a transparent manner to taxpayers?	At this time, there are no plans to issue an RFI/RFP for managing local tax rates and boundaries. The Sales Tax Rate Lookup Portal is considered the solution offered for this purpose. The requirement to provide a single filing a remittance system for State and local sales and use taxes is the primary focus of the RFI.

THIS ADDENDUM IS HEREBY OFFICIALLY MADE A PART OF THE REFERENCED REQUEST FOR INFORMATION.
